

CEA Bauma UK Pavilion Lounge Pass Display, Relax and Meet

The CEA British Pavilion at Bauma 2010, like the show itself, is completely sold out. However, if you are planning to visit Bauma, the CEA is able to offer a special package to UK manufacturers - for just £195 ex VAT (£250 ex VAT to non CEA members) you can:-

- Distribute your brochures from the CEA UK Information Centre.
- Have one exhibitor pass – allowing free travel on the Munich public transport system. Additional exhibitor passes are available for an extra €30 per pass. Passes allow earlier and easier access to the exhibition.
- Use the CEA stand as a meeting point.
- Attend the CEA VIP Networking Reception.
- Collect your e-mail.
- Leave and collect messages at reception.
- Use the shared CEA interpreter (on stand only).
- Use the CEA lounge facilities serving tea, coffee, soft drinks, wine and beer.

Lounge Pass participants will be listed in the UK Group brochure, which is distributed to global trade associations, international press editors and UKTI Business Links.
