

Thursday 23 September 2010
Warwick Conference Complex
Stoneleigh Park, Kenilworth, Warwickshire

Your Industry - Executive Summary - International - Technical - Networking

Detailed Briefings

The structure of the CEA Network Day means members can join meetings of either our Technical or International Business Groups from mid-morning for detailed briefings and discussions on their work programmes.

Executive Summary

For those with tighter time availabilities we have scheduled a 90 minute Executive Summary Session at 16.30 hrs to bring you up to date with CEA activities, the market place, engine emissions and key legislative issues.

Networking Reception

To round off proceedings we have a Networking Reception from 18.00 hrs to 19.30 hrs, giving you a chance to meet industry representatives from the major OEMs, component suppliers and service providers.

THIS EVENT IS FREE TO CEA MEMBERS

Register via www.doodle.com/qxhaakcn4mr9phkt

or

e-mail cea@admin.co.uk

Travel:

Stoneleigh Park is close to Coventry Station and the motorway network.
For a map visit www.stoneleighpark.com.

Accommodation:

If you require overnight accommodation, the on-site Stoneleigh Park Lodge offers cost effective en-suite bedrooms and free parking.
To book a room call 02476 690123 by 31 August 2010 quoting CEA ref 69118.

CEA Network Day

Warwick Conference Complex
Stoneleigh Park
Kenilworth, Warwickshire
Thursday 23 September 2010

Programme

Note: lunch will be provided mid session for all delegates.

10.30-16.00: General Technical Committee

Compliance, Safety and Standards

A chance to join in-depth discussion of all the current compliance, safety, and standards issues. Keep up to date with the requirements for:

- ~ Noise limits
- ~ Engine exhaust emissions
- ~ Machinery directive
- ~ Health and safety issues
- ~ Missives from Brussels
- ~ Standards development

Join the major OEMs and other members to agree an industry position on what is important to your business. A chance to seek answers to your questions and improve your technical understanding.

11.30-16.00: International Business Group

Latest State of Trade - a round table discussion

Guest speakers

The 2010 Bribery Act - How Does it Affect Me?

John Tracey, Partner in PricewaterhouseCoopers' Forensic Services Department specialising in investigations

This interactive session gives an opportunity to discuss the impact of the Act on your organisation and what steps you should be taking, with experts from PWC. Topics include:

- ~ In the event of a case of corruption, what sort of "adequate procedures" would be seen as mitigating?
- ~ What constitutes a bribe?
- ~ Is corporate entertaining still allowed?
- ~ Am I liable for corrupt acts carried out by third parties such as agents and distributors?

Mind Your Language
